NEWSLETTER 2009/2010

2010 brings us into our 28th year of being in business. We are proud to have stayed small, consistent, and quality driven. Thank you for your continued business, friendships, and support.

New for 2010:

1. Yamaha is offering a 70HP four-stroke engine that is 109 pounds lighter than their existing 75HP engine.
2. Pier Pleasure invented a boat lift step to help board from the boat lift into the boat and back out.
3. Shorestation's vertical boat lift will come in 100 pounds lighter with new stainless steel fasteners and cables.
4. Round Lake Marina is featured in the 2010 Harris Flotebote brochure. To read the article, give us a call and we'll send you one.
5. We have 21 used boat lifts and 4 used docks for sale. If anyone is looking, give us a heads up... maybe we could match what you are looking for.
6. The new Lift Tech Direct Drive lift motors with remotes are dependable and fast. They come in AC or DC.
7. Pier Pleasure for 2010 is featuring faux wood aluminum removable decking, it looks really nice!

Pray for rain and snow, may the economy comeback for everyone and remember, "DOG is "GOD" spelled backwards.

**WE LOOK FORWARD TO SEEING YOU ALL IN 2010.
WITHOUT YOUR SUPPORT, WE WOULDN'T BE HERE. THANKS A LOT!!!**
